Name of Organization and/or Individuals: PDA (Please Do Ask Internship)

Name of Project: Overall funding for future projects

Responsible Individual: Jessica Linscott

Email: asap@uoregon.edu

Date of Request: 23 January 2014

Project Description: Our group of eight would like to request a budget in order to support our future projects regarding PDA (Please Do Ask), a newly formed internship program that aims to promote healthy relationships and provide information about sexual health in college. The program will last throughout the remainder of the year, but the funds will mainly go towards advertising the

group, as well as providing sufficient means to launch a project during sexual wellness week in April. The internship meets on campus at the Women's Center, and the event will be held campus-wide. We hope to launch an art project that will involve getting the message across: to please ask, analyze, and answer questions about sexual health, both interpersonal and social.
