NEW STUFF

Name of Organization and/or Individuals: GSH

Name of Project: Group Fitness Classes (Winter 2014)

Responsible Individual: Lizzy Cantor

Email: ecantor@uoregon.edu

Date of Request: 12/4/13

Project Description: For the past four terms, the Global Scholars Hall has partnered with the PE and Rec Center to offer hour-long Group Fitness classes in the Great Room on Wednesday evenings at 8pm during the 2012/13 school year and on Wednesday evenings at 6pm during fall 2013. RHA has funded this initiative for the past three terms. In the 2012-13 year, each class had at least ten participants, with some of the largest classes having more than thirty. During the fall 2013 term, classes had average participation of eight students. We believe the 6pm time was a bit too early for residential students, so we are changing the time for winter term to 7:30 to better mimic the attendance from last year. The time change will also allow students who are typically in RHA meetings to attend the classes! The students who have attended are not only GSH students, but residential students from across campus. As these classes typically cost money to participate in at the Rec Center, students have been pleased to see the classes offered at no charge in the GSH. We have advertised these opportunities over the RHA listserv, the student staff listserv, and the professional staff listserv. We also posted the events on the GSH facebook page each week and posted fliers in each residence hall. We would continue to use these methods to advertise, but will also create additional fliers which emphasize the free nature of the classes.
