Project Description:

Total Cost of Project: \$1951.42

Total Requested from RHA: \$1951.42

Account/Index:

Budget Line: Capitol Improvement

Cost Breakdown / Alternate Funding:

The Hamilton Complex is requesting \$1,951.42 to purchase a total of five televisions (LG 42LN5200 42" 1080p 60Hz LED (3.1" ultra-slim) HDTV X5) and five wall mounts (Tilting Wall Mount for 37" to 70" Flat Panel TVs, Black X5) to be placed in several of the hall's lounges throughout the complex. This proposal is being submitted on behalf of the Hamilton West Student Staff, Hamilton West Hall Government, Hamilton East Student Staff, and Hamilton East Hall Government.

Currently, Hamilton Complex houses nearly 850 residents. In addition to being one of the oldest complexes on campus, we are also one of the least equipped. None of the lounges in Hamilton Complex (excluding Dunn Hall) has a lounge TV. Additionally, Hamilton Complex housed all of the campus's expanded housing this year. Every lounge in the complex was occupied for nearly four weeks (excluding Dunn and Cloran, which do not have first floor residencies). This has significantly hindered each hall's ability to build a cohesive community. Lounges remain unused and neither residents nor student staff members have been able to form programming around the lounges.

This proposal would allow a total of six of the halls in Hamilton to have a lounge television. Dunn Hall currently has a lounge television and the other five televisions would be distributed internally according to the needs of our respective communities. Additionally, these televisions would remain in each lounge throughout coming years. This is an opportunity to help Hamilton build communities for years to come.

Name of Organization and/or Individuals: UO Active Minds

Name of Project: Active Minds Conference

Responsible Individual: Juan Rivera

Email: activeminds@uoregon.edu

Date of Request: 11/13/13

Project Description: UO Active Minds is the only organization at the University of Oregon utilizing the student voice to change the conversation about mental health on campus. We work to increase

students' awareness of mental health and serve as a liaison between students and the mental health community by providing information and resources, encouraging students to seek help as soon as it is needed, and bringing students and staff together through events that promote positive mental health. Our events are tailored to serve the student body on campus, in particular residents in the residence halls. UO Active Minds is currently looking to close the financial gap that we have incurred as we are seeking to go to our national conference in Washington DC. The last time our organization attend was in 2010 since then we have relied on information from executive notes that were left behind. It is time that we update our programing as well as connect with our national chapter so we may be able to continue new programing back at the University of Oregon. We are currently trying to send 5 executives to this conference in George Town University from November 15-17. This conference focuses on leadership, growth, resources and programing ideas. UO Active Minds was also recently informed on October 24 that we have been nominated for an award at our national conference. While the main reason of attending is to update our programing it is great news to hear that we have made an impact here on campus and has been recognized by our national conference. This will help us gain recognition for the University of Oregon as a chapter who is making steady progress in changing the way individuals talk about mental health. The current executive team who is attending is a team that is going to be carrying over for next year as well the programming will continue on for two solid years and the information will be passed on to future student executives that are looking to change the conversation surrounding mental health.

Name of Organization and/or Individuals: Bean East

Name of Project: Paper Towels

Responsible Individual: Cooper Ahearn

Email: lahearn@uoregon.ed

Date of Request: 11/3/13

Project Description: Only myself and a few willing individuals to set up the paper towel dispensers

Total Cost of Project: \$655

Total Requested from RHA: \$655

Account/Index: TS391

Budget Line: Capital Improvement

Cost Breakdown / Alternate Funding:

Bean East would like to receive the aforementioned money to set up and dispense the very necessary paper towels in each of the bathrooms. Each dispenser will cost approximately 18 dollars and each barrel of paper towels will cost approximately 29 dollars. However, the paper towels will last for a greater part of the year and the dispensers should be permanent. The funding would be greatly appreciated.

Budgetary Update

Residence Hall Support- \$1,210
RHA Sponsored- \$500
Other RHA Programs- \$2,200
Capital Improvement- \$10,451.32*

*Note: RHA used Capital improvement funds last year to buy a new computer, and the money was only just taken out this year, so thus our capital budget is lower than it was last week.
