Project Description: The University of Oregon chapter of the National Residence Hall Honorary is starting up this year, and we would like the assistance of the Residence Hall Association. The primary objective of NRHH is to establish the tone of the residence halls as more than just a place to live and sleep, but as a community to learn and grow. One of the most important steps to establishing the tone is to provide recognition of the leaders within the community and of their actions, hopefully encouraging others to follow suit. Of course, in order for our recognition to hold credibility, we must raise the awareness of others within the residence halls of NRHH. Our plan is to purchase t-shirts and pins to increase the awareness of NRHH on campus. We are planning on ordering the t-shirts and pins from the NRHH website.
