Project Description: The leaders(govt) of Walton Complex want to throw a Halloween bash, dance party to kickoff the Halloween weekend. We plan to have it in the basement of Walton (in the area with the pool and air hockey table) from 9pm to 11pm on Wednesday the 24th of October. We believe this time is perfect because not only does it stay within the quiet hours, it also falls on the Wednesday before people will start going to other Halloween parties in the area. We expect to see somewhere between 200 and 300 people attend this event as it is open to ALL Walton residents(we expect to see roughly half) as well as their friends! We have secured a (student) DJ to facilitate the event, which we believe will encourage more people to come. We will put up decorations and have some small food items to entertain our residents as they walk into the party, and a prize will be given to the "most spirited" hall for whoever has the most people attend. Aside from the dance party(as we know that would not accommodate all student interest) we plan to have a scary movie night going in the room adjacent to the main room as well as the pool table and air hockey table available to play- which will not only give variety, but will draw in more people! We want this party to make a strong first impression to the residents of Walton(as well as the other complexes) that their representatives know how to plan fun, safe, events that will bring everyone together in a positive way. Thank you!

Project Description: The Hamilton Haunted House is open to any residents in the residence halls. We are hoping to have about 500 people come through our 15 minute course that will take place in Hamilton halls basement. This event will take place on Friday 26-Saturday 27 in the evening (9-12pm). Our theme this year about rundown circus so we will be having any circus themed characters that are zombie like to scary anyone who walks through our maze. This year we are getting resident involvement with all the behind the scenes activities as well as letting some residents act in our haunted house. Our goal is to give residents an alternative opportunity to get involved with the haunted house as well as attend in hope to keep them for going out those nights.
