**Name of Organization and/or Individuals:** Hamilton Complex

**Name of Project:** Hamilton Lounge TVs

**Responsible Individual:** Matthew Miyamoto

**Email:** Mgm@uoregon.edu

**Date of Request:** 10/24/2013

**Project Description:**

**Total Cost of Project:** \$1951.42

**Total Requested from RHA:** \$1951.42

**Account/Index:**

**Budget Line:** Capitol Improvement

**Cost Breakdown / Alternate Funding:**

The Hamilton Complex is requesting \$1,951.42 to purchase a total of five televisions (LG 42LN5200 42" 1080p 60Hz LED (3.1" ultra-slim) HDTV X5) and five wall mounts (Tilting Wall Mount for 37" to 70" Flat Panel TVs, Black X5) to be placed in several of the hall's lounges throughout the complex. This proposal is being submitted on behalf of the Hamilton West Student Staff, Hamilton West Hall Government, Hamilton East Student Staff, and Hamilton East Hall Government.

Currently, Hamilton Complex houses nearly 850 residents. In addition to being one of the oldest complexes on campus, we are also one of the least equipped. None of the lounges in Hamilton Complex (excluding Dunn Hall) has a lounge TV. Additionally, Hamilton Complex housed all of the campus's expanded housing this year. Every lounge in the complex

was occupied for nearly four weeks (excluding Dunn and Cloran, which do not have first floor residencies). This has significantly hindered each hall's ability to build a cohesive community. Lounges remain unused and neither residents nor student staff members have been able to form programming around the lounges.

This proposal would allow a total of six of the halls in Hamilton to have a lounge television. Dunn Hall currently has a lounge television and the other five televisions would be distributed internally according to the needs of our respective communities. Additionally, these televisions would remain in each lounge throughout coming years. This is an opportunity to help Hamilton build communities for years to come.
