<td>Number of people that showed up (low expectations but we had over 100)</td>
<td>Back up plans were set into place so when things fell through we need to make sure that we have something planned “expectation of profession”</td>

- In the future we will work out the kinks and make sure that we will plan back-ups so that we can be prepared for weird DJ things, cake fiascos, and prizes
- Morgan is part of the CGO, she has to show up to RHA General Council, we need a representative to show up to the meeting so the LLC is represented and get the information back to the community
Ideas for events this term!!

• Super Bowl party
• March Madness (we can do small things every week, make brackets) Nick wants to take charge of that
• Valentine’s Day (Dance?)
• Speed Dating
• Olympic Opening Ceremony – have people be part of a country and cheer for it
• Educational events, have people come and lecture and people can go for it and that will be easy we don’t have to plan for that
• Student speakers, so we can have a connection with the students
• Binge Watch something- LOTR movies and the Harry Potter
  *Harry Potter week- every night we show
• Overnight thing so we have food delivered at certain times and do an all-nighter thing
• Sci-Fi movies
• Educational event - we could do like a jeopardy event and then people from all different interests

• How many events we want to do this year? 3, 4, 2
  *2-3 big events for the big space that we have in the LLC, we understand how to use the space now
• Our Hall Gov is big enough that we can do smaller events and get people working on specific events switch it up we don’t have to do a dance lets switch it up
• MLK Day – LLC Service Project and we can collect sign ups through that week and create something that does more for the community
  *Closed hall event? We are so big and so central we have the opportunity to draw more people in
  • Keep things smaller so we don’t have to buy the rights to all the movies
  • Educational events should be on their own and not be included in the 3 events
  *Focus on the big events that bring people in, if it’s a variety of different events then we can draw different crowds of people every week
  • We will talk about the most popular events with our constituents and then meet up next week and decide what we want to do and plan from there
  • Nick takes control of the March Madness, LLC Pool and everything
  • Chloe- staff meeting, we need vacuums for LLC that actually work, they are not very effective
  *If we could go to RHA asking for vacuum cleaners, they go to everybody and it’s not just LLC
  *stigma against LLC and GSH, it needs to be made clear that this if for the residence halls, ALL the residence halls
  • If we want to do vacuums for the south that should not be put into the proposal because that will withdraw support
  •
