Robin Holmes Presentation

We have the pleasure of hosting Robin Holmes the vice president for student affairs for the University. She's here to visit our advisory board to say thank you to the students who put time and energy in to making a difference for students. She wanted to encourage us to stay involved, and hopes that next year she can be more involved next year!

NRHH Update

Relay for Life is this weekend, their team is called "iHope". We were introduced to the new NRHH leadership coordinator Max Burns. He wants to work closely with RHA and getting support flowing between RHA and NRHH. He also wants to work on fine-tuning the NRHH constitution. They will be doing one induction next year, rather than two. NRHH is working at transitioning their new exec, and are planning a fun event for week 9!
