 - i. Q/A
 1. Barnhart: could we change it to once per term instead of once per month
 - a. We would amend that in the discussion section. They are meant to be turned in once a month, so this makes sense.
 2. Riley: could we delegate that OTM to another member in Hall Government?
 - a. We are hoping that the Hall Government would come up with those ideas and write it then
 3. Bean East: would the RHA Rep write the OTM on their own, or would there be an OTM writing party?
 - a. It would be more like an OTM writing party. They only take about 20 minutes, so it wouldn't be too time consuming.
 - ii. Discussion
 1. Riley: this is a good idea because we need more OTMs, having people required to write them will make people want write them in their free time.
 - iii. VOTE: 18-0-0
 - b. Amendment: Change the meeting time for the Finance Meeting
 - i. Q/A:
 1. Riley: who is this for
 - a. ME! -Juliann
 2. Barnhart: The meeting time could change every week depending on whose available?
 - a. That is technically true, but the ADC could change it at any time, the hope is that this doesn't happen
